

ADOPT-A-MANTA MAIL-IN FORM

You will assist our important research through the Adopt-A-Manta Program providing funds for the purchase and operation of manta tags. Our research affiliates will sponsor biologists to perform the actual tagging of the mantas at each of the target sites. You can participate by:

- Basic Adoption: \$75 donation for one year
- Adoption & Membership: \$100 donation for one year
- Lifetime Adoption: One-time donation of \$250
- Educational organizations: Free for schools that agree to organize and run at least one fundraising event each year.

Manta adoptions comes with an official Adoption Certificate with the picture of the manta, other important information and a special access password to enter your special area on the web for following research collected on your manta.
